

## SAILOR-OF-THE-YEAR SELECTION CRITERIA

---

The Sailor-Of-The-Year trophy is to be awarded to one BBSC member based on performance and participation in the annual BBSC racing program throughout the year. All BBSC members are eligible, whether sailing as skipper or crew.

Sailors will accumulate points based on the finish position of the boat on which they are sailing for a given event. Overall finish position will be used unless classes are split and start separately. The BBSC sailor with the highest point total will be recognized as Sailor of the Year.

To assist with the logistics of scoring, it is expected that sailors will log their results in the Sailor of the Year Scorecard throughout the year.
