For additional information go to www.bbsc.com

Blooper of the Month

For the first (and last time), the Blooper of the Month goes to your very own Newsletter Editor. While setting up the order form for BBSC shirts and license tag, an error in pricing was made. License plates are actually \$10 instead of the list \$5. The idea behind the "BBSC Store" is increase the revenues of the club beyond just the income from the annual dues. So support the club and get a license plate...just \$10 a plate.

JUNE 30TH

SERIES #2

The second Series race was held on 30 June which also coincided with Twin Cities 4th of July fireworks display and the Deming's rescheduled 4th of July picnic. The 11 mile race therefore was set up to end in Boggy Bayou. The winds wouldn't cooperate so the race start was delayed 1hr. When the wind finally filled in it did so with a vengeance as a result of storm that popped up at the west end of the bay. A total of 7 boats registered but only 5 started. The results are listed below:

COMMODORE'S ☆☆ CORNER ☆☆

So far a great sailing season! Lots of boats at last two regattas and Wednesday nights have been well attended also. This month begins our campaign to raise money through sales of shirts and license plates, so dig deep buy them for gifts etc. and help support the club. We are keeping a very careful eye on our check book this season because renewals have been poor, so if you know of someone who has not re-registered please encourage them to do so. Also, we are in the planning stages for the fall banquet so if you have any thoughts please feel free to share them.
