If you do not have a handicap we will provide you with one. Anything and everything can be used on the boat with the exception of your engine. This includes, jib's larger than what you are rated for, spinnaker, cruising chutes, staysails, bloopers, autopilots, etc. What ever you feel comfortable with you can use (or try to use).

Participants in the Single Handers Regatta enter at their own risk. Every captain should be aware of the capabilities of himself/herself and that of their vessel. Officials of the race and all persons directly and indirectly connected with the operation of the regatta shall be exempt from any liability for loss, damage, negligence, harm or injury suffered by a participant, vessels, or equipment which may occur during the Single Handers Regatta.
